Dates: Thursdays: 4/09, 4/16, 4/30, 5/07, 5/14

Meeting Room upstairs Warburton Ice Rink

975 Sandy Lane Warwick RI 02889

Expose your child K to 2nd graders to the opportunity to learn **a new language** using fun, games, props, adventures, stories and songs. Children have been loving this program!!

Widely and enthusiastically received in Rhode Island, **All Hands On Deck** is a one of a kind program that immerses children in American Sign Language and Deaf Culture. Our success rate, retention rate and ability to get children excited about learning is paramount in our program.

Children will be 'transported' to a wide variety of places such as a jungle, the wild west, dreamland, a castle and many more adventures where they will learn to sign and explore crafts, games and songs, signing along as they play.

Learning to sign develops spacial awareness, multitasking skills, enhanced visual imagery and detecting mirror image reversal. Deaf Culture will cover interesting topics such as: Deaf etiquette, a Deaf-Blind experience, hearing dogs and lifestyle adaptations, and the story of the development of ASL.

**CHECK OUT CLASSES AT [www.ASL.education](http://www.ASL.education) and call/ email the Warwick Rec to sign up!!**
